Congratulations to Covington Fire Department Firefighters Kyle Ginn and Taylor Moore on your graduation today from the Madison County Fire Rescue recruit firefighter course! For ten weeks, these gentlemen have been diligent in finalizing their coursework. They'll be starting shift duty this week. Special thanks to Madison County Fire Chief Eric Turner and his entire department for not only your tutelage but also your allowing Covington to participate in the class!

We want to thank everyone who came out and shared with us an amazing night as we celebrated and honored our October Veteran of the Month Edward Odell Kinney. It was a wonderful evening!

The Veteran of the Month reception is the 2nd Tuesday of every month at the Tipton County Museum.

This week 70 individuals were given the opportunity to access their offense record and start the expungement process. MANY had items expunged with no cost and others learned what can't be expunged OR that their items can be expunged after a certain length of time. Although there were those who didn't get the news they'd hoped for, 70 people showed up for themselves to eliminate a barrier to employment, transportation, housing, etc.

If you or someone you know needs this service and missed this event, there will be another event in early 2022. In the meantime, visit the Court Clerk's office any day for assistance. Follow [American Job Center - Greater Memphis](#) for updates on upcoming events!
