=====

NOTE

*An application fee of \$50.00 will be charged for each residential permit and \$100.00 for each commercial permit. Effective 14 July 2003, a \$200.00 deposit will be required for each demolition permit issued by this office. This is in addition to the required permit fee. The deposit will be returned once demolition has been completed, all building materials and debris have been removed from the site and has been graded. The Building Inspector /Code Enforcement Officer will verify that this has been accomplished. The permit will be issued when and only when all utilities including water, sewer, natural gas and electrical service have been disconnected (killed) and the service lines have been removed from the structure as well as the building site by the proper authorities. Should work begin without the issuance of a permit, a **STOP WORK ORDER** will be issued and the \$200.00 deposit will be forfeited.*
