LEANN STEWART
FITNESS LEADER

LeAnn is a dedicated wife and mother to 4. Ethan (25), her oldest son, is a Memphis Police Officer. Allison (21), is a senior at Freed-Hardeman University studying Photography. Aaron (19), is attending the Tennessee College of Applied Technology for Aviation Maintenance. Isaac (17), is an avid musician and a senior in high school.

As a mom who has home-schooled her children for over 20 years, as she heads towards the end of that career, she began taking a step into her next adventure – fitness! When a friend drug her to a water aerobics class, she never dreamed it would be the way that she learned that fitness could be fun, as well as beneficial.

This last year has been a whirlwind of learning and growing. Since then she was hired as a fitness leader and she has certified in everything she possibly could: Spin, Zumba, Water Aerobics, Pound, & Yoga. Throughout this journey she has learned that fitness has no age limit; you just have to get up, move and have fun!

Ms. Michelle Frazier, Director
Tennessee Department of Transportation
Aeronautics Division
607 Hangar Lane, Building 4219
Nashville, Tennessee 37217

Director Frazier:

The City of Covington hereby requests financial assistance from the Tennessee Department of Transportation, in the amount of \$28,600.00, to replace obsolete M3000 QTPod terminal at Fuel Farm with a new M4000 System.

The existing airport fuel delivery system has been discontinued. Replacement parts are no longer being produced or supported by the manufacturer. For continued use, an upgrade to the QTPod M4000 Fueling Terminal is required. The Covington Municipal Airport requests a grant to fund replacement of the fuel terminal.

An application for State financial assistance is attached. We have the necessary funds for our local share for this project.

Please let me know if you have any questions or need additional information.

Sincerely,

Justin Hanson, Mayor
City of Covington
