*The City of Covington will set the meter. The contractor/applicant will not tamper or otherwise alter the meter . If the contractor/applicant requires the meter to be moved, a request should be made in writing at Covington City Hall . Once the contractor/applicant is finished with the meter, he is to notify the Customer Service Division of the Covington Public Works Department in writing to that effect and the City of Covington will remove the meter. The contractor/applicant is not authorized under any circumstances to remove the meter at any time. The City of Covington currently charges a minimum bill plus tax per month for the usage of a 3" meter. You may be prosecuted if you fail to comply with the direction of this policy.*

*Effective 1<sup>st</sup> July 2016*
