The Finance and Administration Committee met at City of Covington on July 16, 2019 at 4:00 p.m. with the following members present: Chairman Alderman C H Sullivan, Mayor Justin Hanson, Aldermen: Danny Wallace, Jhonetta Yarbrough, and Jeff Morris. Also present were: Building Official Lessie Fisher, Police Chief Buddy Lewis, Public Works Director David Gray, Personnel Director Tiny Rose, Assistant Fire Chief Richard Griggs, GIS/IT Coordinator Nic Shaw, Assistant to the Mayor Rebecca Ray, and Recorder-Treasurer Tina Dunn.

Meeting was called to order by Chairman Alderman C H Sullivan.

Mayor Justin Hanson introduced HTL Advantage CEO Mark Herbison. Mr. Herbison discussed the vision of HTL Advantage.

Building Official Lessie Fisher began discussion on the request from the Covington Seventh Day Adventist Church to quitclaim a portion of the alley that adjoins their property. There are four property owners along the alleyway that may need to be considered when addressing this request. She stated there are no known city utilities and the alleyway does not appear to serve any useful purpose to the City.

Motion was made by Alderman Danny Wallace and seconded by Mayor Justin Hanson to notify the property owners along the alleyway with the City's intent to comply with the Seventh Day Adventist Church's request pending the payment of the survey while offering the same option to the other property owners. Motion passed.

USDA Representative Walt Downing began discussion on the opportunity of a community facilities direct loan and grant that can be used for the construction of the police building. This could be up to a 55% grant match. The interest rate will be 3.5% for a period of forty years. The application for this grant is due within 70 days. The City will need to complete the application, obtain an architectural report, and an environmental review. There is no obligation until the City requests to draw down the money for the construction of the facility.

Motion was made by Alderman C H Sullivan and seconded by Alderman Keith Phelps to proceed with adopting a Resolution in support of the application to USDA for construction of a police facility with the amount to be determined. Motion passed.

Sierra Butler and Robin Racine discussed responsible vendor training for the employees of beer permit holders. A resolution was presented for review. This resolution is stricter than the current beer ordinance with such things as the time frame between violation periods, minimum fees, and required training.

Motion was made by Alderman Keith Phelps and seconded by Alderman Jeff Morris to proceed with the revision of the beer ordinance. Motion passed.

Public Works Director David Gray reported the purchase of two utility vehicles was approved in the 2019-20 budget. These vehicles will be bought off the state schedule. The water department will purchase a truck for meter reading at an approximate cost of \$28,000.00. The sewer department will purchase a service truck at an approximate cost of \$55,000.00.

Motion was made by Alderman C H Sullivan and seconded by Alderwoman Johnetta Yarbrough to move forward with the purchase of the two vehicles in the utility funds as requested by Public Works Director David Gray. Motion passed.

There being no further business, the meeting adjourned at 5:02 p.m.

Dear Mayor Hanson:

We own properties located at 211/213 Warring Ave. This property has a jointly shared alley which is Lot 4. It has come to our attention that when petitioned, the City of Covington will quitclaim unused Alleys to adjoining property owners.

Please consider this letter as our request for the City Covington to quitclaim to us the portion of the Alley that adjoins our above-mentioned properties.

RE: request from Covington Seventh Day Adventist Church for the City of Covington to quitclaim the Alley on the West side of their lot to them.

The alleyway runs south from Warring Ave to Able Ave approximately three hundred feet (300') in length and is approximately fifteen (15') wide. The alleyway appears to have been abandoned for many years. Currently there are no known city nor public utilities nor drainage systems being utilized through the alleyway per Director David Gray. The alleyway does not appear to serve any useful purpose to the City of Covington.

As you can see from the GIS map attached there are four (4) property owners along the alleyway that may need to be considered when addressing this request.

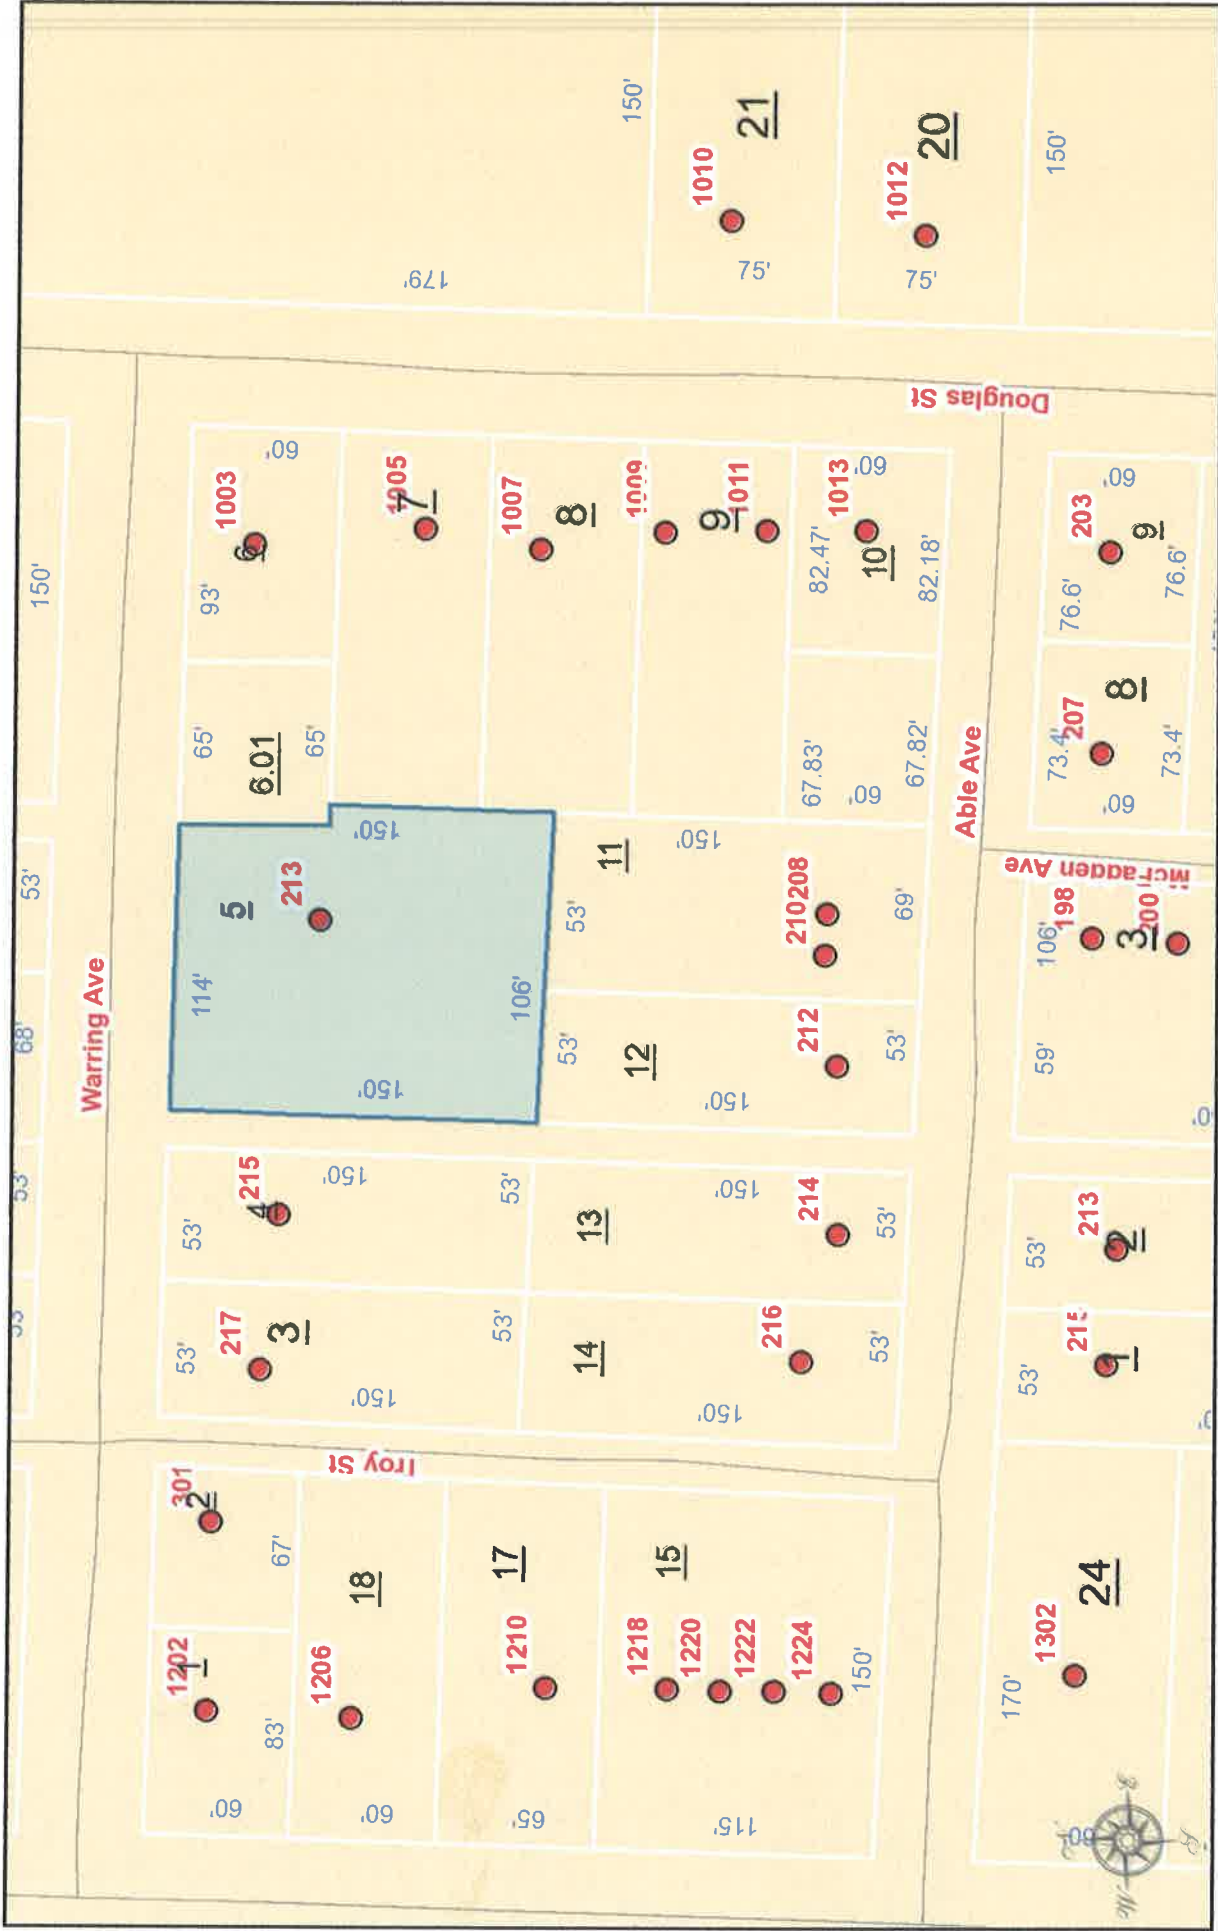

1 – Ky-Tn Conf Assoc of Seventh Day Adventists – 213 Warring Ave.

Responsible Vendor Training is a course that includes important information about employee and company liability, laws regulating the sale of alcohol, how to properly check IDs, and company policy.

- **Where is the Responsible Vendor training offered?**

You can get information on training that is offered through Drug Free Tipton. Contact Sierra Butler at drugfreetipton@gmail.com or call (901) 378-0545.

- **What is the cost of the training?**

The online training is 15.00 and Tipton County Coalition will gladly do a private classroom for ——— (per person?)

- **What is the difference in Responsible Vendor training and being a Certified Responsible Vendor?**

Having the training will help you better understand the laws regulating the sale of alcohol and can also greatly reduce insurance premiums. This is the training your Beer Board is requiring for all employees.

To be a Certified Responsible Vendor a business must go through steps to register with the Tennessee Alcoholic Beverage Commission for each location they would like to have certified. Once all of the requirements have been completed and fees paid, each store will have a certification from the TABC.

- **What is the advantage of being a Certified Responsible Vendor?**

Responsible Vendors cannot be fined more than 1500.00 or have their license revoked on the first offense of selling to a minor. This is true for the second offense if it is not within one (1) year of the first.

However, if a Responsible Vendor is cited for selling alcohol to a minor within a certain amount of time the TABC will revoke the certification and the Beer Board can take whatever measures they see fit.

- **What is the process of becoming a Certified Responsible Vendor?**

Please contact the training department at the Tennessee Alcoholic Beverage Commission for this information.
