Firefighter of the Year Speech: Honoring Firefighter/ Advanced-EMT Zach Moffett

Good afternoon, everyone,

It is truly an honor to stand before you today as we recognize one of Covington Fire Department's finest — our 2025 Firefighter of the Year, Firefighter/EMT Zach Moffett. Also, I would like to thank the Exchange Club for supporting our firefighter of the year.

Zach is more than just a firefighter. He is a dedicated public servant, a skilled EMT, a loving husband, and a devoted father. From the moment he began his fire service journey in Brighton back in 2013, Zach has consistently demonstrated the character, professionalism, and heart that define what it means to wear this uniform.

In 2019, we were fortunate to welcome Zach to Covington, and in the years since, he has become an invaluable member of our team. He doesn't just show up to do the job — he shows up to do it with purpose. Whether responding to emergencies, supporting his fellow firefighters, or leading by example, Zach brings a calm presence and an unshakable commitment to excellence.

Zach's dedication to continued learning is nothing short of inspiring. He has taken on the challenge of becoming a Fire Department Instructor, a Tank Car Specialist, and earning his Fire Officer I certification. These accomplishments speak volumes about his drive not only to grow personally but to raise the bar for those around him.

But beyond the uniform, Zach is a family man — the kind who knows that his most important title is not just "Firefighter" but "Dad" and "Husband." Today, we also want to recognize his incredible support system: his wife, Hannah, and their children Mason, Kayden, and Julia. Behind every great firefighter is a family that sacrifices too — waiting through long shifts,

answering calls in the middle of the night, and praying for a safe return. Hannah, thank you for being his rock thank you for sharing your husband with this community — we are all better for it.

Zach, your passion, integrity, and leadership make you the kind of firefighter we all aspire to be. You don't do this job for the recognition you do it because it's who you are. And today, we are proud to honor that.

On behalf of the City of Covington and the entire Fire Department family, congratulations on being named the 2025 Firefighter of the Year. You've earned it.

Thank you — and thank you all for being here to celebrate one of our very best.

OSHA Compliance Director Report

Over the last month, I have worked diligently with Human Resources personnel to thoroughly address Health & Safety Program issues. We had our second Safety Council meeting on Thursday, April 24th at 1:30 PM in the City Hall Basement Conference Room. We went over each department's TOSHA file and opened the floor for questions pertaining to the program, regarding health and safety issues within their respective departments. Issues addressed were CPR/AED/Narcan training, 2 close call injury events with investigation and the PEP training.

1. **Went over health and safety files for each department/building and answered questions on the implemented programs.**
2. **Produced Lesson Plan, PowerPoint presentation, and written test for:**
 - **Building Inspections for Department Safety Designees**

Conclusion: I attest that my efforts have significantly contributed to public safety by conducting essential fire inspections, ensuring compliance with fire and life safety regulations during business inspections and assisting in various critical inspections related to building codes enforcement. These activities are crucial for safeguarding lives, protecting property, and promoting a safe environment within the community. Keeping the community and our employees out of harm's way is the mission. I have also addressed many health and safety issues with the City of Covington personnel to ensure workplace safety and address needs to maintain a healthier workforce.

Chief Richard Griggs
Covington Fire Department
101 TENNESSEE AVE
COVINGTON, TN 38019

Dear Chief Griggs:

Congratulations on your Fire Department achieving its official recognition under Tennessee Code Annotated §68-102-304. As you know, this recognition makes it possible for you to apply for grants and helps us become a better resource for you in several important ways.

First, please remember that the Tennessee Fire Service and Codes Enforcement Academy (TFACA) is available to provide low-cost training to your department and can send instructors to your facility for some courses. To find out more about our course offerings, go to the TFACA's website: <http://www.tn.gov/commerce/section/fire-service-codes-enforcement-academy-tfaca>

Second, all fire departments are required to report to the National Fire Incident Reporting System through Tennessee's Fire Incident Reporting System. We offer the free software and low-cost training on the TFIRS/NFIRS system through TFACA. That system is important because it provides the fire data used to guide state and federal funding, policy decisions, and fire prevention strategies.

Enclosed you will find your certificate and a copy of T.C.A. §§ 68-102-301 through 68-102-307. Your fire department recognition certificate is valid for three (3) years from the date of issuance. After reviewing the enclosed documents, should you have any questions, please feel free to contact Jason Driver at jason.driver@tn.gov.

Sincerely,

Jason Driver

PRESS RELEASE

CPD investigation confirms bomb threat false at Covington High School.

At approximately 8am today, the Covington Police Department responded to a potential bomb threat at Covington High School.

School Resource Officers at CHS confirmed the caller called on a landline to the front office and made threatening allegations. The voice of the caller was an older male of middle eastern descent from a phone originated from South Carolina. School staff immediately began evacuating the school out of an abundance of safety for the students and staff. Superintendent Dr John Combs responded to the campus along with Troopers from the Tennessee Highway Patrol to assist in the incident.

CPD officers began searching the facility and was assisted by a bomb detection K9 team activated by the Tipton County Schools of Tennessee . No devices or suspicious packages were located during the search.

Detectives and Agents from TN Homeland Security responded to assist in the investigation. Detectives determined the caller mimicked being an artificial intelligence generated voice. The owner of the number was immediately identified from South Carolina. Tipton County E911 Central dispatch assisted in determining a location for the number which reflected the South Carolina address. A follow up call to the local South Carolina law enforcement agency resulted in officers contacting the owner of the phone in South Carolina. Both agencies verified the threat as false. Students were released and returned to the school.

"We are thankful the threat was false. I commend all the quick responses of staff, officers, agents, troopers and detectives. The execution of the emergency response plan and procedures for our schools resulted in the threat being eliminated quickly to restore the daily activities at CHS." said Chief Donna Turner "The safety of our schools remains a priority in the City of Covington."

Covington Police Department Investigates Shooting Incident Resulting in Multiple Arrests

On 12 April 2025 at approximately 4:00 AM, officers with the Covington Police Department, with the assistance of deputies from the Tipton County Sheriff's Office, responded to reports of shots fired at **Broadmeadows Apartment Complex, located at 150 Peeler Road in Covington, TN**. Upon arrival, officers discovered a vehicle that had been damaged by gunfire and encountered a large group of individuals gathering in the vicinity. Several individuals were detained and interviewed on the scene. Officers established that no one had been injured related to the shots being fired but did confirm property damage to a vehicle. Detectives from the CPD Criminal Investigation Division responded to process the crime scene. Detectives utilized license plate readers in the area and surveillance cameras at the apartments to confirm the individuals and vehicles involved in the incident.

During the course of the investigation, detectives determined that a black Nissan Altima was involved in the incident. Surveillance footage revealed that the driver of the Altima discharged a firearm towards the area of the damaged vehicle during an altercation with an unidentified male who was dressed in all black. Officers and Deputies saturated the Complex and identified **David Jones, Jr, 25 and James Pearson, 30, both of Covington** attempting to leave the scene in a black 2014 Chevrolet Cruze. Officers confirmed the duo had been involved in an argument at the apartments just prior to the shots being fired. Officers recovered 36.1 grams of marijuana in their vehicle, and both were charged with Possession of Schedule VI with Intent to Deliver. The narcotics were collected and the vehicle was seized and transported to the CPD seizure lot.

In addition, while Officers were responding to the shots fired incident, they encountered **Lawrence Brent, 32, of Covington** walking in the area of the shooting scene. Officers observed Brent to be unsteady on his feet and appeared to be intoxicated. Brent was arrested for Public Intoxication and transported to the Tipton County Jail.

The suspect vehicle was later identified as a 2013 black Nissan Altima, which was occupied by **Eric McGee Jr., 29, of Covington**. McGee was located and interviewed, during which he admitted to his role in the shooting incident. McGee confirmed he hid in the area to allegedly avoid officers conducting the investigation at the Apartments and later disposing of the firearm in the Hatchie River.

8 4-15-25 10:00 AM [Signature]

Detectives formally charged **Eric McGee Jr.** with Reckless Endangerment, Vandalism, and Tampering with Evidence. McGee is free on a \$50,000.00 bond awaiting his appearance in Tipton County General Session Court this week before Judge M.O. Eckel, III. In addition, **David Jones, Jr, James Pearson, and Lawrence Brent** are free on bond awaiting their appearance in Tipton County General Sessions Court later this month.

"I am thankful for the partnership with the Tipton County Sheriff's Office and for their collaboration during this investigation. It was a challenge with the number of people in the area, but the officers and deputies quickly identified those involved and took immediate actions to return safety for the residents." said Chief Donna Turner "As the summer begins, we will be continuing to increase our patrol efforts in high traffic areas. The residents assisted in this investigation by confirming those individuals who were causing the disturbance in the complex. I am thankful for the cooperation which aided officers and detectives in holding those responsible for the incident."

This case remains under active investigation, and anyone with information is encouraged to contact the Covington Police Department Criminal Investigations Division at 901-475-1261. Tips can be sent through Facebook messenger Covington TN Police Department or the City of Covington website.
